Parents and Scouters are encouraged to monitor the classes. Class materials are available at the Scout Shop (171 South Hollywood Street) for students and parents (monitors). Programs have common material but will also require Scouts to complete requirements with their home church pastor or priest.

Attendance to either the traditional or contemporary church service at Faith Presbyterian Church (10:45-12:00) will also be required as well as homework assignments between classes. This program will require a commitment from Scouts to attend all classes with no more than two excused absences. Classroom and homework make up will be the responsibility of the Scout at the convenience of the instructing Pastor.
