

## Annual Pancake Breakfast: 2022

On Saturday, November 12, Troop 48 held its annual pancake breakfast. The breakfast is a significant fundraising event that helps to minimize costs of summer camp, summer adventure trips, and outings of that nature. With at least one scout having sold each of his tickets beforehand, the event was sure to be a success. It was enjoyed by all who attended, and guests had a rewarding experience. Hopefully, this will yield a returning crowd for next year.

The work began early- at around 5:00 A.M., volunteers scrambling to prepare eggs, bacon, and of course, pancakes that would be served later that morning. When the remaining scouts and adults arrived later, they split into groups that would fulfill needed tasks throughout the breakfast, from serving food to bussing tables. The guests arrived shortly after, and the kitchen quickly piled up with dishes as more entered the makeshift dining room. With the scouts switching stations every few minutes, the room was bustling with activity. The enormous supply of food proved to be sufficient, and the entire event went fairly smoothly. As the crowd dwindled, the scouts began to mop the room and reset it for the church service that would take place the next day. Overall, this event went as well as possible, and the scouts handled the breakfast with ease.
